

Ozark Heritage Bank Chooses Clearent

Clayton, MO – December 3, 2009 – Clearent, a national payment processing company, recently announced that they have signed an agreement with Ozark Heritage Bank for merchant services.

In 2009, Ozark Heritage Bank was started by banking veterans with the goal of better serving the needs of their community. By offering a full range of banking services, they are able to support both personal and business customers throughout Arkansas.

Jim Messina, SVP of Sales with Clearent, commented, “Ozark Heritage Bank’s commitment to their customers is equally as strong as Clearent’s. Clearent is proud to augment their offering with merchant services programs that are designed to grow with their customers’ needs.”

About Clearent

Clearent is a merchant services payment processor whose proprietary acquiring technology gives financial institutions, ISOs and merchants easy-to-understand reporting and a clear view into all program-related costs. A value-added PCI compliance program, a complete range of products and services and responsive customer support will help you maximize the value of your merchant services program and your bottom line.
