Payments Industry Veteran Joins Clearent Team

Clayton, MO – May 25, 2011 – Clearent proudly announced the latest addition to its team today, appointing Carrie Notheis as Director of Business Development. Carrie will focus on building relationships for Clearent in the St. Louis area, where Clearent and Carrie are based.

Carrie comes to Clearent with more than 15 years of experience in the merchant services industry. Carrie spent nine years at Heartland Payment Systems, where she was the company's #1 sales representative in the nation for the past three years. She also successfully led sales teams at the local and regional levels, breaking company records in the process. Prior to Heartland, Carrie trained and supported merchants at First Data and Wells Fargo Bank.

Carrie develops strong customer relationships by educating them and protecting their interests, and is excited about helping more businesses take advantage of Clearent's unique approach to merchant account processing.

"We're thrilled to have Carrie join our team," said Dan Geraty, CEO of Clearent. "Carrie has established an unrivaled track record of success by building strong relationships with her customers, which lines up perfectly with our approach to merchant services."

About Clearent

Clearent is a payment processor whose proprietary technology and responsive support enable financial institutions, ISOs and merchants to maximize the value of their merchant services program. Clearent's intuitive, web-based systems are simple to use and provide at-a-glance business intelligence not available from other providers. To learn more, visit www.clearent.com or call 866.205.4721.
